PROFESSIONAL EXPERIENCE

Principal | HR Consultant & Executive Leadership Coach
2015- Present | Tracy Murray Moore Consultancy, LLC

Designed and deliver impactful HR strategies and leadership programs for a diverse national and international client base, with a strong focus on empowering leaders and transforming organizational cultures.

- Strategic HR Partner (*Clients: Exude, Robert Half, Milligan & Associates*): Partner with organizations to design and implement progressive HR strategies, including talent acquisition, DEIB initiatives, change management, and performance systems, resulting in measurable improvements in workforce productivity and compliance. Deliver expert counsel on employee relations, onboarding optimization, and policy development, reducing organizational risk and enhancing operational efficiency.
- Certified Executive Leadership Coach (*Client: Comcast Freedom Region*): Develop leadership coaching profiles for over 325 senior leaders, driving improvements in performance, productivity, and inclusivity. Facilitate one-on-one and group coaching sessions, leveraging 360-degree assessments to enhance leadership competencies and align leadership styles with organizational goals. Identify actionable trends that boost engagement and process improvement.
- Professional Development Trainer (*Clients: Rowan College, LaSalle University, MEA, Inspira Health, Rutgers University*): Co-created Rowan College's *Women in Leadership Institute*, equipping women leaders with tools to enhance leadership skills. Designed and delivered workshops on leadership development, team effectiveness, DEI, emotional intelligence, and succession planning, achieving tangible staff performance improvements.
- Executive Director – Shatter the Glass Youth Enrichment Program (*Clients: 21st Century, Rowan College, Rutgers University, North Camden Schools Partnership, Camden Community College*): Developed and facilitated enrichment programs focused on leadership, job readiness, and college success for youth, ensuring access to career preparation resources.

Chief Human Resources Executive

2019 – 2024 | Reinvestment Fund, Philadelphia, PA

- Revolutionized the HR function, transforming it from a two-person team into a robust, scalable department aligned with strategic business goals.
- Spearheaded initiatives to create equitable, people-focused systems and processes, enhancing organizational impact and culture.
- Built the HR infrastructure, including compensation structures, state and federal compliance, performance management systems, and DEIB frameworks.
- Designed and implemented a diversity recruitment strategy, increasing representation of underrepresented groups while simultaneously developing supportive internal infrastructures to create a culture of belonging for all employees.
- Developed a succession planning framework, achieving increased retention of high-potential leaders.
- Orchestrated company-wide initiatives such as executive coaching programs, leadership cohorts, and financial literacy workshops tailored to diverse employee needs.
- Guided the organization through the COVID-19 pandemic transition and civil unrest cultural shifts by introducing support systems, including EAP access and organizational psychologists.
- Positioned HR and Talent Management objectives as integral to corporate strategy, earning the organization recognition as HR Department of the Year in 2021 and earning HR Person of the Year in 2022.
- Strategic and trusted advisor to the CEO, senior leadership, and the Board of Directors on organizational design, change management, and workforce strategies.

Director, HR Business Partners

2012- 2015 | NJ Manufacturers Insurance Company (NJM)

Successfully aligned HR strategies with organizational goals to support workforce growth and operational excellence. Oversaw key HR initiatives, driving measurable outcomes in employee engagement, leadership development, and talent management for a diverse, multi-location workforce

- Aligned HR operations and strategies with business objectives, supporting 2,500 employees across three locations.
- Directed a team of six HR Business Partners, driving key HR initiatives and enhancing organizational effectiveness.
- Developed and monitored HR metrics to measure the impact and success of talent strategies, retention programs, and workforce planning.
- Partnered with senior leadership as a trusted advisor, providing expert counsel on organizational development, change management, leadership growth, and succession planning.
- Championed the design and continuous improvement of talent strategies, including leadership development, performance management, and talent acquisition.
- Delivered one-on-one executive coaching to leadership, improving management effectiveness and leadership capabilities.

Global Director, Human Resources

2008- 2012 | Siemens Water Technologies, Vineland, NJ

Oversaw HR and organizational strategies for North American and European operations, introducing innovative programs to optimize talent management.

- Designed and implemented a job rotation program, achieving cross-training for 65% of production employees.
- Introduced large-scale change initiatives, including organizational redesigns and retention strategies.
- Developed a career matrix framework, creating clear paths for employee development and engagement.
